Lakeville Juniors invites you to participate in instructional volleyball for players in grades 1-5. Five Saturday mornings are scheduled to provide beginning and intermediate skill and game training. Players are placed on teams of 7-12 players for skill instruction, with each date including individual volleyball instruction, team practice, and game competition. The final date is round robin play. Players are instructed by Lakeville North/South high school team players and volunteer parent coaches, under the supervision of Lakeville Juniors head coaches.

A **Beginner session** for grades 1-3 and an **Intermediate session** for grades 3-5 will both be offered. *3rd graders are allowed to choose their own session as long as space is available. Generally 3rd graders should have attended two or more previous sessions before attending **Intermediate volleyball**.* The intermediate session will review basic skills for new 4th and 5th graders but will progress more quickly than the beginner session.

Where: Lakeville South/North High Schools
